**Editorial communications** should be addressed to the Editor of The Journal of Geology, The University of Chicago, Chicago, Ill.

**Contributors are requested** to write scientific and proper names with particular care and in citations to follow the form shown in the pages of the Journal.

**Separates**, if desired, must be ordered in advance of publication. Separates of leading articles will be printed as ordered, of which 50 (without covers) will be furnished *gratis*, the actual cost of the remainder (and covers, if desired) to be paid for by the author. The table below shows the *approximate* cost of separates consisting of plain text or text with line engravings. The actual cost may vary from the figures given, and will depend upon the amount of work in re-making the pages into forms, press work, paper, binding, etc. Separates containing half-tones may be expected to cost somewhat more than the rates given, the increase depending upon the number of cuts and the amount of work required upon them.

## NEW BOOKS

**READY FIRST WEEK IN FEBRUARY:**

### The Finality of The Christian Religion

GEORGE B. FOSTER

In a course of lectures delivered at Harvard in 1893 and 1894, Prof. Foster outlined an argument for the absolute value of Christianity which so impressed his hearers that he was urged to put it in permanent form. This he has at length done in "The Finality of the Christian Religion," a work which involves a destructive criticism of authority religion and a constructive treatment of Christianity as an inevitable outgrowth of human nature. The work has been awaited with great impatience. 530 pp., net \$4.00, postpaid \$4.25.

### Ancient Records of Egypt

JAMES H. BREASTED

A full and reliable source-book of Egyptian history is at last to appear. After ten years of labor, Prof. Breasted offers to Egyptologists and students of history a corpus of Egyptian inscriptions on a scale not previously attempted and with a degree of accuracy never before attained. The series is one of three now in preparation, the others being by Robert F. Harper (Assyria and Babylonia) and by the late William R. Harper (Palestine, Phoenicia and Syria). The entire collection, when completed, will be a monumental contribution to the history of the East. 5 vols., 8vo.; 390, 450, 300, 560 pp. First volume ready February 1. Advance price \$3.00 net per volume.

**NOW READY:**

### General Sociology

ALBION W. SMALL

Professor Small's main proposition is that the traditional sciences relating to the spiritual sides of life are sterile, unless they are carried out to a point at which they blend in one system of knowledge. The book is an exposition of the development of social theory from Spencer to Ratzenhofer, and a plea for the completion of the general structure of social science. 753 pp.; 8vo, cloth; net \$4.00, postpaid \$4.23.

### A Decade of Civic Development

CHARLES ZUEBLIN

The author gives a concise and spirited account of certain definite measures—political, economic, social, and artistic—for the betterment of American cities. Professor Zueblin was formerly president of the American League for Civic Improvement. He is the author of *American Municipal Progress* and other volumes. 200 pp.; 12mo, cloth; net \$1.25, postpaid \$1.35.

### Primary Facts in Religious Thought

ALFRED W. WISHART

Seven short essays intended to state, in a simple and practical manner, the essential principles of religion, and to clear them from the confusion arising from theoretical changes and historical criticism. 125 pp.; 12mo, cloth; net 75c, postpaid 82c.

### Egoism: A Study in the Social Premises of Religion

LOUIS WALLIS

In this essay the author first sets forth the proposition that "egoism is the only 'force' propelling the social machine." This thesis he then proceeds to demonstrate by evidence drawn from biblical history. Lastly he shows its practical bearing on the present social problem. 137 pp.; 16 mo, cloth; net \$1.00, postpaid, \$1.07.
